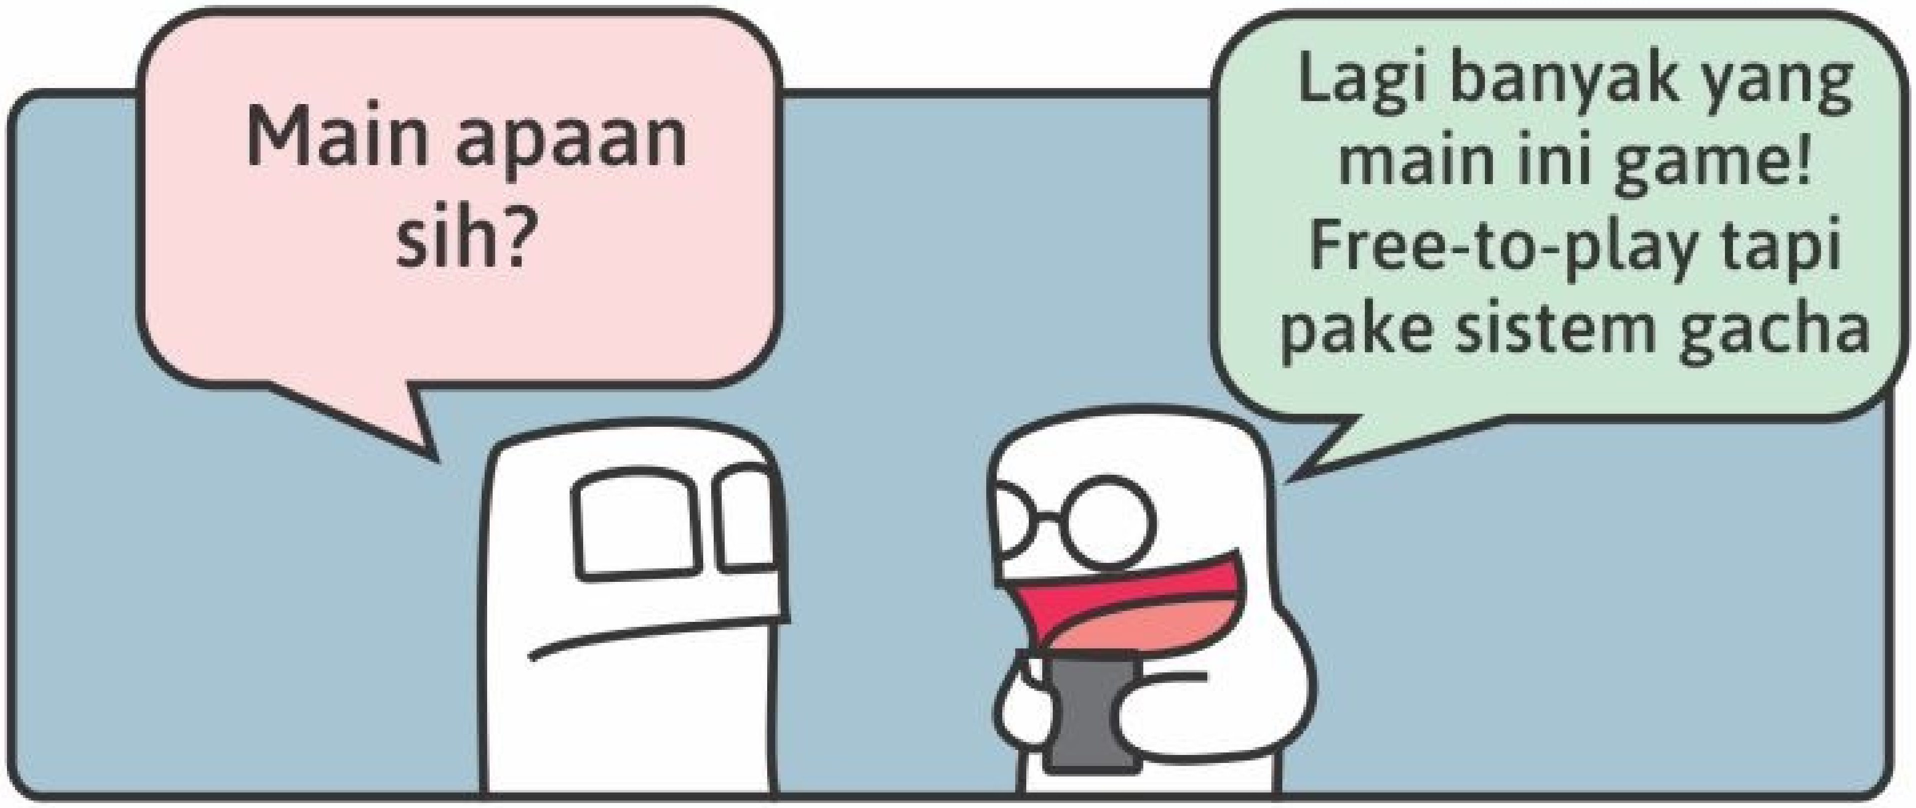
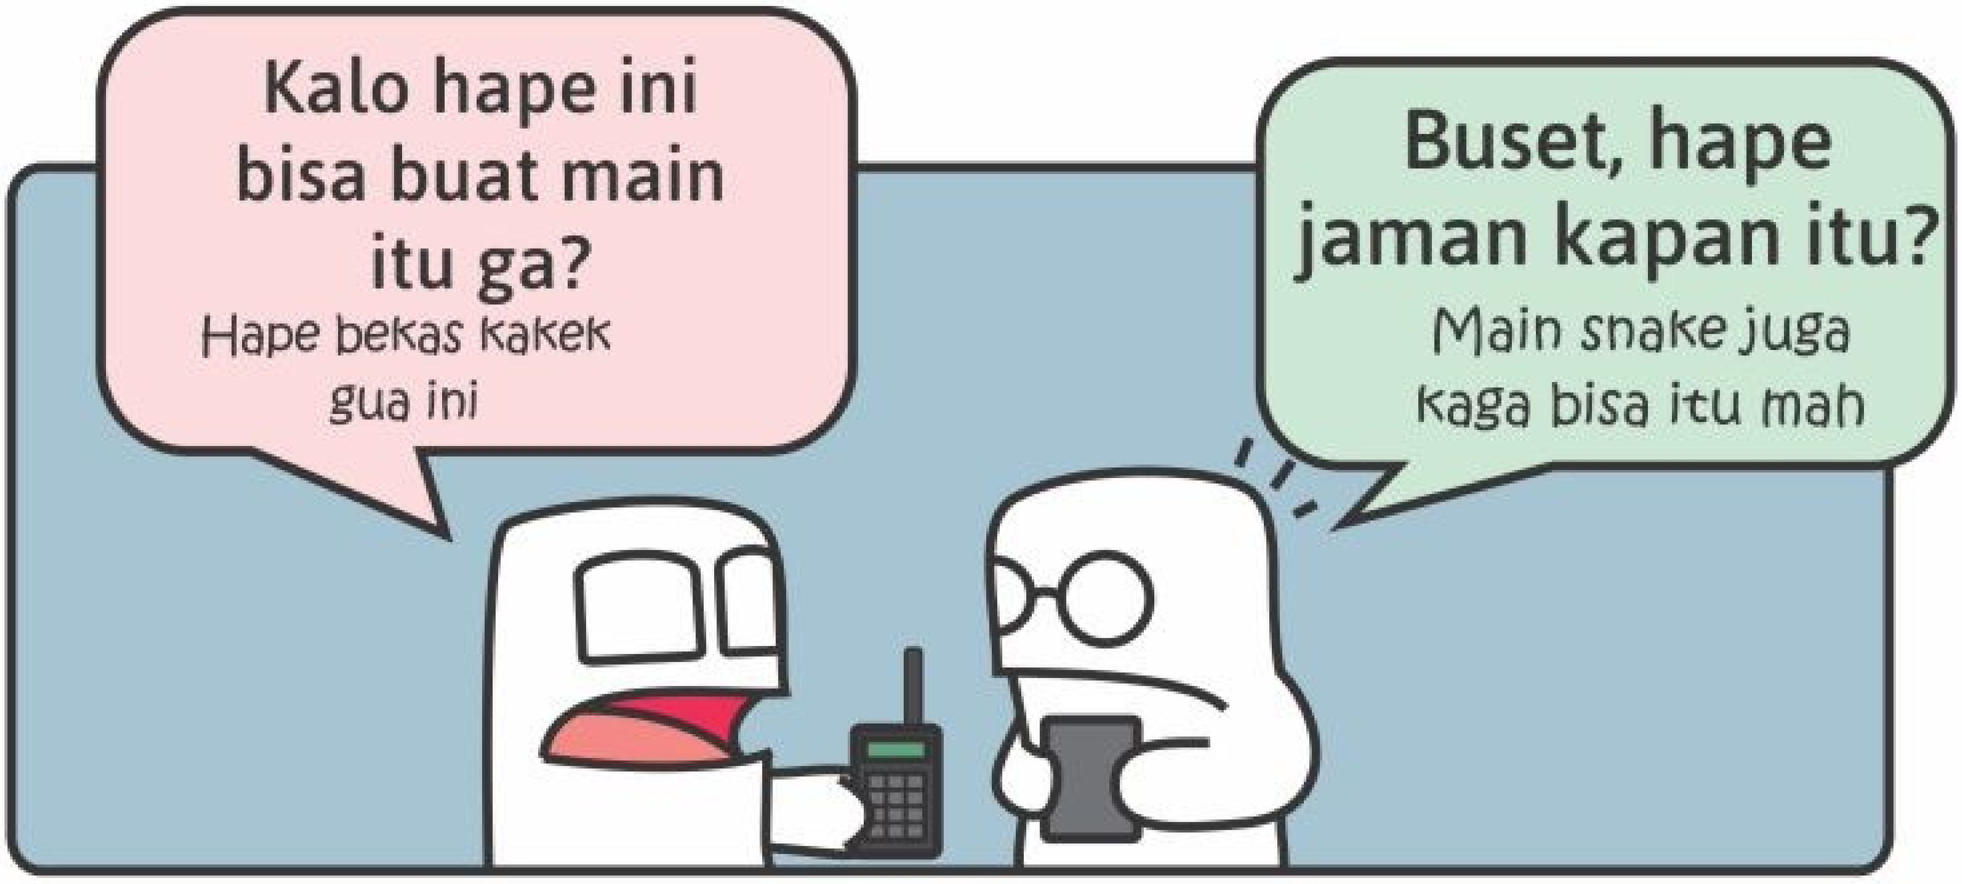
Woy! lu dengerin ga!?
Kalem bro, lagi rame nih gamenya!

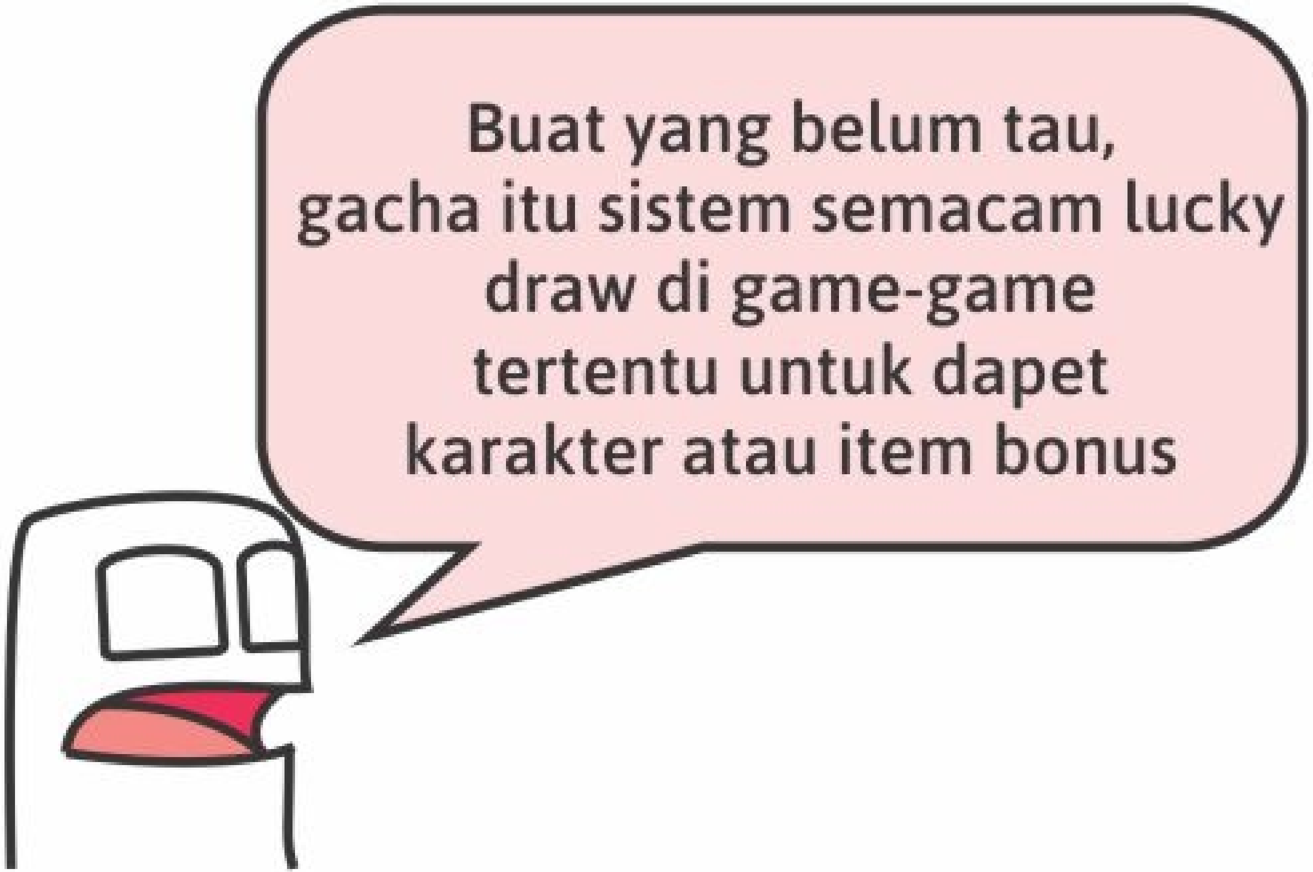


Main apaan sih?
Lagi banyak yang main ini game! Free-to-play tapi pake sistem gacha

Gua mau coba dong, biar bisa main hape gua harus kaya gimana?
Yang penting OS-nya Andruid atau eOS kok



Kalo hape ini bisa buat main itu ga?
Hape bekas kakek gua ini
Buset, hape jaman kapan itu?
Main snake juga kaga bisa itu mah



Buat yang belum tau,
gacha itu sistem semacam lucky
draw di game-game
tertentu untuk dapet
karakter atau item bonus
